CPR Conference

Training to cultivate, plant, and
reap relationships for God's glory

Westerly Road Church
Annual Missions Conference
February 22-24, 2013

WRC:
are you certified to
cultivate,
plant
&
reap?

Do you have longtime friends who you've always wanted to share the gospel with? Do you ever think Jesus Christ needs to be mentioned in the workplace? This year's conference will focus on how we can *cultivate, plant, and reap* in our relationships with neighbors, co-workers, and friends.

We will pray, learn, see skits, and discuss together over three sessions how to spend time with non-Christians in a careful way while maintaining gospel intentionality. We will talk about practical issues surrounding relationship building for God's kingdom by hearing testimonies of how the name of Jesus can be proclaimed in a simple and clear manner.

Our prayer is that you will attend this conference with your fellow WRCers and become certified just in time for relocation.

**Walk Thru the Bible
 for Children Grades 1-5**

Saturday, February 23, 9am-2pm
Westerly Road Church

Kids will experience God's story like never before through a unique, fun, kinetic style of learning. Kids gain lifelong benefits from participating in the live event. Led by Walk Thru the Bible's professional instructors, Kids in the Book is an interactive event that is a positive and enjoyable experience for children that inspires them to understand God better, teaches them the importance of prayer, and encourages them to read and study their Bible to apply The Word to their everyday lives. This is accomplished as the children become actively involved with stories, lessons, games, puzzles, and other interesting activities aimed at teaching Scripture. Don't miss out on this unique experiential journey. For more info, visit www.walkthru.org under their Kids in the Book section.

**Childcare will be available
 during all weekend events
 for ages 5 and under.**
